4<sup>th</sup> July, 5<sup>th</sup> September, 7<sup>th</sup> November, 9<sup>th</sup> January, 6<sup>th</sup> March, 8<sup>th</sup> May

## **About the Lincolnshire Road Safety Partnership**

The partnership aims to reduce the number of people killed and injured on our roads.

It is made up of:

- Lincolnshire County Council
- Lincolnshire Police
- Police and Crime Commissioner for Lincolnshire
- National Highways
- Lincolnshire Fire and Rescue
- East Midlands Ambulance Service

All revenue generated from court fines or fixed penalties is paid directly to central government. We are able to recover some costs for the educational courses we provide as an alternative to prosecution.

## Community Speed Watch

The Community Speed Watch (CSW) scheme aims to help residents to tackle local speeding issues.

There are currently more than 200 parishes and town councils operating the scheme throughout Lincolnshire.

CSW only operates in 30 and 40mph speed limit areas.

There are three levels of Community Speed Watch membership:

1. The use of highly visible passive speed limit reminder notices.
2. The use of battery powered speed indication devices (SIDs) to re-enforce residential speed limits.
3. Volunteer speed checks.

The two types of speed warning signs are purchased and operated by communities and are attached to lamp posts or other available street furniture.

The speed notices and SIDs are then moved around numerous sites within a community to ensure they are always fresh and impactful.

We will provide up to six free passive roadside notices. Extra notices cost £20 each.

Parishes can also buy wheelie bin stickers at a cost of 50p each.
