

Email concerning the footpath between the carpark and Maddison Lane. Please contact the Parish Clerk for a copy of the plans.

Subject: RE: Fairfield, Partney - N/136/01280/16

The s.106 agreement only provides for the land hatched blue in the s.106 plan to be offered to the Village Hall Owner – I've extracted the plan from the agreement and attached.

I've attempted to draw a line in black (it's not very straight) around the area that is outside the scope of the s.106 agreement on the land registry plan.

Therefore, the owners only need to agree to offer and the Village Hall only need to agree to accept a transfer of the part of registered title of LL235185 – for the avoidance of doubt - being the part that I've not highlighted (on the Land Registry Plan) or the hatched area on the plan within the agreement.
