

## **Report from St Nicholas PCC, Partney May 2026**

We have been busy arranging repairs, events and services these past few weeks. We always have something and are very pleased to say they are all going well.

Roof repairs have been completed. We are waiting for the Diocese to approve work on the pillar, chancel wall and tower.

The support from our community has been wonderful and we really appreciate it. We certainly couldn't do this without all of you.

We are pleased about our upcoming events and hope you are able to support us. Saturday 30<sup>th</sup> May Bingo, this promises to be a fun evening.

Friday 28<sup>th</sup> August Gillian Dooley has kindly to give a talk on Captain Matthew Flinders. Tickets are £8 with refreshments served after so you have a chance to meet and chat to Gillian.

Saturday & Sunday 5<sup>th</sup> and 6<sup>th</sup> Wolds Weekend, this is a chance for all churches to open their doors with displays and refreshments so you can visit and enjoy their rich history. St. Nicholas will have a Flinders display, bric a brac sale and refreshments.

All donations raised from these events will go towards the church repairs. We are also in the process of having a new church noticeboard, with more space to keep you updated on what we are up to.
